- The **25 ACRE CAMPUS** is located on the shores of beautiful Medicine Lake in the northwest Minneapolis suburb of Plymouth.
- The two-year **BIBLE TRACK** includes courses from Genesis to Revelation plus related studies in evangelism/discipleship, missions, prayer, apologetics, church history, music, and various other topics. Many credits are accepted by major colleges (see back for list).
- Receive **PREPARATION** for **LIFE** and **ETERNITY** through the Word of God in classroom training and teaching. Classes are offered each morning from 8-Noon.
- **FINANCIAL:** Approximately \$8460/year includes tuition, room, and board. Many jobs available in the area make it possible for students to work after classes.
- **SERVICE/MINISTRY** opportunities are abundant through various gospel teams including music, evangelism, visitation, puppet ministry, and local congregation involvement. There is a mission emphasis throughout the year.
- Many **MUSIC** groups include two large group choirs that travel on tour regionally and internationally during the Spring semester. An instrument ensemble participates in campus concerts and chapel services, and plays at local congregations. All participants are selected through audition.
- **SPORTS:** Men's and women's basketball teams participate in the NIAC conference and ACCA national tournaments. Our women's team won nationals in '04 and '06. Also enjoyed by many are men's soccer with a city league, informal volleyball, and intramural softball.
